

Ag Day 2024

Bring Your 3rd Grade Students to the Children's Farm at the Center

Wednesday, April 3, 2024

9:15-11:15AM session or 11:30-1:30PM session

Hosted by the Cook County Farm Bureau Foundation.

with

The Children's Farm
at The Center
Palos Park

What to Expect...

This two-hour program will rotate students through learning stations to help them understand the importance of agriculture in Illinois including livestock, horticulture, vermiculture, and locally grown crops. Program provides pre and post engagement activities and connects with science and social science curriculum.
